► INTRODUCTION

The European School Sport Federation (ESSF) continues to strengthen its position as a leading platform for the development of school sport and educational values across Europe. With a clear mission to inspire young athletes and connect schools through sport, ESSF creates opportunities that combine competition, learning, and international friendship.

The ESSF 2026 Multisport Event featuring Cross Country, Badminton and Table Tennis will take place in Poreč, Croatia, from 3 to 7 November 2026. This event represents another important step in the continuous growth of the European school sport movement. School teams from across Europe will come together to demonstrate endurance, skill, concentration and teamwork, values that define these disciplines and school sport as a whole. More than a sporting competition, this event is a meeting point for young people from different cultures and backgrounds. It provides participants with the opportunity to test their abilities, exchange experiences and build friendships that extend beyond national borders, reflecting the fundamental principles of sport, education and fair play.

We look forward to welcoming you to Poreč in November 2026 for a memorable week of sport, cooperation and the shared spirit of the European school sport community.

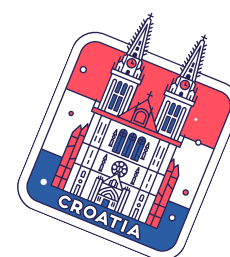

➤ WELCOME TO CROATIA

Welcome to Croatia – Where the Mediterranean Meets Central Europe

Welcome to Croatia, a country where history lives side by side with everyday life and where visitors quickly feel like part of the local story. Situated between the Adriatic Sea and Central Europe, Croatia is known for its beautiful coastline, preserved old towns, and diverse landscapes that range from islands and beaches to mountains and green valleys. The spirit of Croatia is built on tradition, creativity, and a relaxed way of life. Ancient streets, stone houses, and cultural landmarks blend naturally with modern art, festivals, and a vibrant social scene. Croatian cuisine, rich in fresh flavors and regional specialties, reflects the warmth and openness of its people. Whether you are walking through centuries-old cities, enjoying the clear blue sea, or sharing a conversation with friendly locals, Croatia welcomes you with authenticity, charm, and a true Mediterranean soul.

➤ DISCOVER POREČ

EUPHRASIAN BASILICA

The Euphrasian Basilica is the most important cultural landmark in Poreč and a UNESCO World Heritage Site. Built in the 6th century, it is renowned for its well-preserved Byzantine mosaics, considered among the finest in Europe. The complex includes the basilica, atrium, baptistery and bell tower, offering visitors both historical insight and panoramic views of the old town.

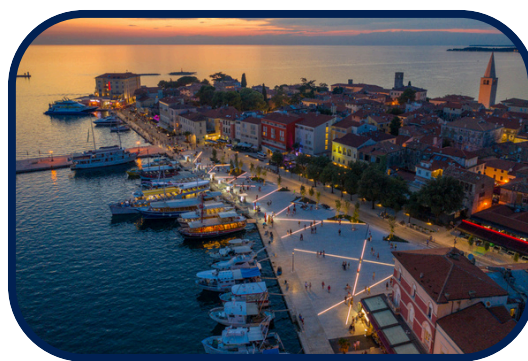

POREČ OLD TOWN

The historic centre of Poreč preserves the original Roman street layout, including the main streets Decumanus and Cardo Maximus. Walking through the narrow stone streets, visitors experience a blend of Roman foundations, Gothic palaces and Venetian architecture. The old town offers a compact and lively atmosphere with local shops, cafés and cultural sites within a short walking distance.

POREČ WATERFRONT AND MARINA

The waterfront promenade stretches along the Adriatic Sea and offers open views, walking paths and access to the marina. The area combines Mediterranean charm with modern infrastructure and is ideal for relaxing walks, especially at sunset. It reflects the coastal identity of Poreč and its long-standing connection with the sea.

BAREDINE CAVE

Located just outside Poreč, Baredine Cave offers a unique natural attraction. Visitors can explore impressive underground formations, including stalactites, stalagmites and an underground lake.
